Dear Landowner:

The BC Sno-Riders would like to thank you very much for the use of your land for our trail system. With the generous support of people like you, we will be able to continue to maintain and groom our snowmobile trails to provide consistent and enjoyable snowmobiling in Broome and Chenango counties.

As a landowner you are afforded additional insured status on the New York State Snowmobile Association's General Liability policy. This policy provides \$1,000,000 of Liability coverage per occurrence with \$2,000,000 annual aggregate for the operations and activities of each individual snowmobile clubs throughout NY State who are a named insured on the master policy. By granting the BC Sno-Riders permission to use your land, the policy will defend and protect you should you be named in a liability suit involving snowmobiling, trail construction and maintenance, grooming, etc. and other activities conducted by the snowmobile club on your property.

I have enclosed a copy of the Landowner Brochure provided by NYSSA (New York State Snowmobile Association), a copy of the landowner agreement form, a sample certificate of liability insurance that you receive at no cost, and one of our postcards with contact information. If you would like a formal Certificate of Liability Insurance or have any questions regarding our trail system for the 2007-2008 season please contact Sandy at 607-693-3007.
