

BC Sno-Rider Member Volunteer Form

The BC Sno-Riders is **your** snowmobile club and we are dedicated to making the sport of snowmobile riding more enjoyable for everyone. Your club is operated entirely by club members who volunteer their time. We realize that everyone's time is a valuable thing these days but if everyone helps out with what they can, the sport will truly benefit from your efforts. Some activities will require more effort than others but each will have more than one volunteer so you will not be solely responsible for any event. Please take a moment to fill out the form and select one or more areas where you or your family can help. Write down what part of the committee you would like to volunteer to do.

Thank You!
